Sir:

The undersigned attorney conducted a telephone conference with the Examiner on September 7, 2005 to discuss the distinctions between claim 10 and the art of record (specifically, the Holmes reference). At that time, the undersigned attorney and the Examiner agreed to the Examiner's Amendment of claim 10 as set forth in the Interview Summary mailed October 6, 2005. The undersigned attorney notes, however, that the amendment may not necessarily be required to overcome the prior art of record, and that the claims without the amendment may be patentable for other reasons.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-0665, under Order No. 030048080US1 from which the undersigned is authorized to draw.

Dated: Nov 4, 2005

Respectfully submitted,
